# **V6 Instruction**

1.Login in

Domestic users register with mobile phone number, foreign users register and login using mail address, and enter the "my" page after login.

### 2, Bound gateway

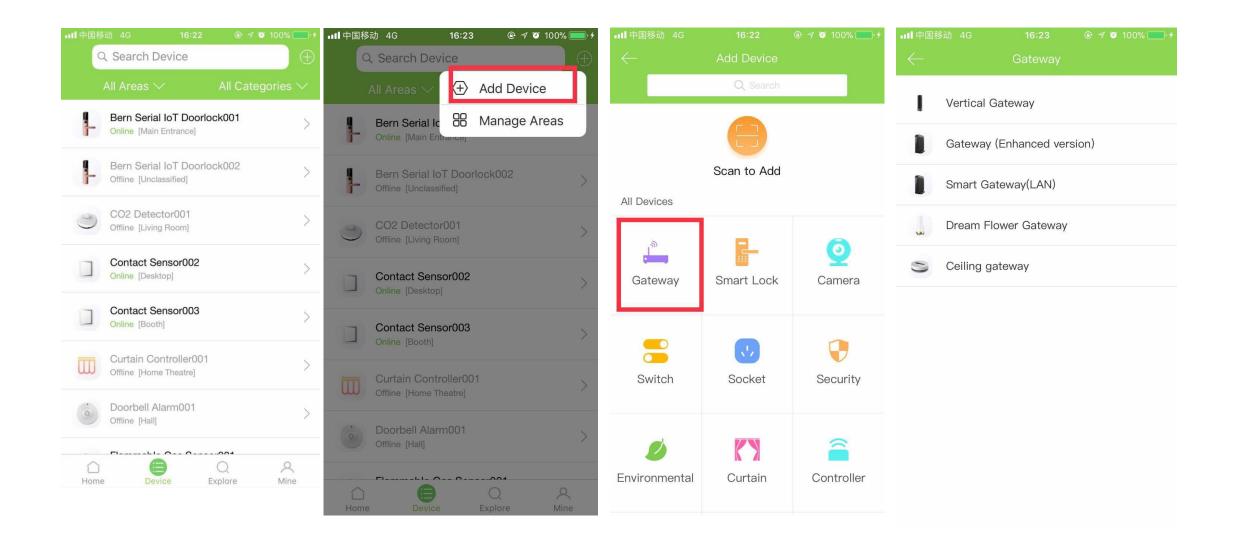

There are two ways bound the gateway.

(1) Gateway Center —— Gateway list —— (plus sign at top right corner) bound gateway

→ input the gateway number and password( If it's your first time to use this gateway, the default password is the last 6 numbers of the serial number)
